Subject: HELP - Indian River Shores needs FPL - Remove Vero Beach Utilities

As a resident of Indian River Shores, I am paying in excess of 30% more for my Vero Beach electrical power - compared to rates offered by FPL.

In addition, Vero Beach Utilities HAS NO conservation plans or discounts on new appliances like those offered by FPL.

Also, as a resident of Indian River Shores, I do not have representation regarding the use of the unregulated profits and excess funds collected by Vero Beach Utilities.

Please know that **as a community, it is our desire - that the PSC redraw the service boundaries so our entire town can be served by Florida Power & Light.**

Thank you for doing the right thing for the residents.

Sincerely,

Stuart Krawll
