Subject: Excessive utility rates in Indian River Shores

Dear Commissioner

I am a Florida resident of the town of Indian River shores as a homeowner we are paying in excess of 30% more for Veril Beach electrical power compared to rates offered by FPL

As a resident of Indian River Shores, Vero Beach Utilities does not conservation plans or discounts on new appliances as offered by FBL

As a resident of Indian River Shores homeowners do not have representation regarding their utility concerns

This is a unreasonable situation and should be addressed by the public service commission

Thank You
