<p><i>I'm a senior citizen, have to buy bottled water at my age (82) I find it difficult to lift cases of bottled water because our water is undrinkable. I use more electricity also because I have to boil our water.</i></p>
<p><i>Our community does not need another raise in our water bill, we need good drinking water. Hopefully after seeing us all at Sammentree and listening to our complaints you will approve our requests to get Pasco Water and disapprove a rate increase for Utilities Inc.</i></p>
