#### CONSUMER COMMENTS

*Lived in 9 homes in 3 states. Have had private wells and town water, never bad water as we have here.*

*We purchase 35.00 in bottled water each month for cooking and drinking.*

*Clothing that is white comes out of the washer as yellow and must be bleached w/ Clorox. I have my dermatologist on speed dial due to skin problems from what he believes is the water.*

*The increases you have given in the past have not brought any improvements. We are also paying for WIF the flushing of the hydrants 2-3 times month.*
