**Subject:** Public Service Commission review of Indian River Shores boundaries

**To:** Commissioners of Public Service Commission of Florida  
**From:** Caroline Ervin, Resident of Indian River Shores

As a resident of the town of Indian River Shores, I urge the Commission to intervene in the Territorial Agreement which allows Vero Beach to operate and unregulated monopoly of electrical services in our town which subsidizes operations of Vero Beach. This is taxation without representation.

Florida Power and Light serves a portion of our town and has indicated that they are "ready, willing, and able" to serve all residents of our town should the PSC grant our request.

As a long time resident of Indian River Shores, I urge you to re-draw service boundaries (Indian River Shores petition for modification of territorial order docket number 160049) as soon as possible.

Thank you for your consideration to this important matter.

Sincerely,  
Caroline Ervin
