Please do **NOT** allow this rate increase. The water is terrible. My doctor told me, "Don't even shower in that water." but I cannot afford a reverse osmosis system, so I have to buy bottle water. My water bill is always \$32.+ monthly for less than 550 gallons, I don't even wash my clothes in this water, it is much to nasty. The total "service" charge for March was \$23.76, **WHAT SERVICE** Skame on Utilities Inc for ripping off the elderly !!

Please give us Pasco County water Linda O'Day
