**Re: Application of Commercial Utilities for
Amendment of Certificate for Extension of Territory**

Dear Ms. Stauffer:

Please find enclosed for filing, an Application for Amendment of Certificate for Extension of Territory, by Commercial Utilities, A Division Of Grace And Company. A fee for filing this application has been hand delivered to the Clerk's office. Also hand delivered is a system map for filing in this docket.

Please find attached also a draft public notice for publication in a newspaper of general circulation in Duval County. I have drafted this in two different forms, a short form and a long form for review by staff. In addition, please consider this a formal request for the commission to provide, pursuant to Sect. 367.045, Fla. Statutes, and pursuant to Rule 25-30.030, Fla. Admin. Code, the list of parties to be noticed with this information. Upon receipt of this list, a notice will be mailed to the governmental, county, municipal and private parties as well as to all customers pursuant to the requirements of the statute.

Please let me know if you have questions or if our office can be of further assistance in this filing.

Sincerely,

Howard E. Adams
