Good Morning, Clayton,

Per your request, DN 03265-16 will be moved from Docket 150010-WS (Aquarina Dkt) to Docket 130209-SU (North Peninsula Dkt).

Let me know if you have any further corrections or questions.

Good Morning,

I had the document below filed in the wrong docket. It should have been placed in Docket No. 130209 – NPUC. How should I correct the mistake?

Thank you

Good Morning Clayton

Laura saw this in the docket file. It is the NPUC map but it was filed in the Aquarina Docket.
