Dear Mr. Stone:

By this letter, the Commission staff requests that Gulf Power Company (Gulf) provide responses to the following data requests.

1. Per Gulf's petition, Plant Smith Units 1 and 2 were scheduled to be retired on March 31, 2016. On what date were the units actually retired?
2. Per Gulf's petition, the estimated remaining inventory balance was \$2,852,159 and the estimated net book value of the units was \$61,880,482 as of December 31, 2015. What were the actual amounts on the date the units were retired?

Please file all responses electronically no later than June 24, 2016 from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6218 if you have any questions.

Sincerely,
