Subject: RE: FP&L requested rate increase

Good afternoon,

We will be placing your comments below in consumer correspondence in Docket No. 160021-EI and forwarding your comments to the Office of Consumer Assistance and Outreach.

Sincerely,

Collin D. Roehner
Commission Deputy Clerk I
Office of Commission Clerk
Florida Public Service Commission

Subject: FP&L requested rate increase

10.5% return on investment is very good in the current slow growth economy where wages and income are showing very little or no growth. FP&L customers would be glad to be getting a guaranteed return on their savings or investments of half as much.

Please deny any further rate increases for FP&L especially at this time. Thank you.
