RE: Docket No. 160021-EI

Just paid/^{FPL}\$143.00 for one (1) mo.,
one (1) person, no animals, and air
thermostat set at 78°. 'Nuff already!

And we pay again when all the stores
and businesses have to charge so much
in order to cover their outrageous
electric bills. The monies FPL must
collect--WOW! Same for Cable TV!!

Plus, for instance, one gets an \$86.08
bill and \$14.26 of it is added tax, fee,
and/or charges, almost what the bill
should be in the first place if one
were to be reasonable. Now our Insurance
Policies get hit with such, too!!!
Along with the rest of the Utilities.
