For more information on case scheduling, please visit the PSC's website, www.floridapsc.com and look under the Clerk's Office tab, then click dockets, and then enter 160021, the docket number for the FPL Rate Case.

A friend has been compiling a petition they would like to submit regarding this issue. What is the cut-off date where these docs can be considered for this issue by your commission members?

Any time table you can share would be greatly appreciated.
