My name is Ronald Greene ..i live at 5480 N W Carla Ct. in Port St. Lucie FL i am writing in regards to the above docket number that concerns FPL asking the PSC for a rate hike of 23%. i think that increase is unconscionable given that the increase is solely for the benefit of FPL investors and is not going towards improving service. This hike would give investors between 11 1/2 to 12 1/2 return on investments which in today's financial world would be more then generous. i don't see the need for the increase at the expense of the poorer class people on fixed incomes in order to enrich others with exorbitant returns. I would ask that you deny the request of FPL for the increase
