**Subject:** FPL Rate increase Ref: 160021-E1

I am not in favor of the rate increase. I can barely afford my bill now. It is not fair to ask for increases that surpass any job increase which is usually 2 to 3 percent yearly and FPL is asking for 7.53% a year! No way!

FPL has a lot of great smart employees that can find other ways to reduce cost and improve energy efficiency.
