Dear Ms. Stauffer:

I am concerned for the people of Florida who will be forced to pay a rate increase to FPL for no other reason than pure profit to the shareholders and executives. And “forced” is the proper word to use because there is no other option to the residents of Florida except for FPL.

FPL has marketed itself as one of the most affordable power companies in the country. Please don't make that a lie by allowing this rate increase.

Sincerely,

Dana Rudolph

FPL customer (Englewood and Port Charlotte, Florida)
