**STAFF'S FOURTH DATA REQUEST
VIA US MAIL & EMAIL**

Re: Docket No. 160128-EI-Petition for approval to include in base rates the revenue requirement for the Hines chillers uprate project, by Duke Energy Florida, LLC.

Dear Ms. Triplett:

Please find Staff's Fourth Data Request in the above referenced docket. The responses to these questions should be filed with the Commission Clerk no later than July 18, 2016.

1. Please explain why DEF is requesting that the Commission should approve the revenue requirement associated with Phase 2 of the Hines Chiller Uprate Project. As part of this explanation, please explain why it would be more appropriate to address the Phase 2 revenue requirement in the instant docket instead of in DEF's February 2017 filing discussed in its petition?

Please contact me by phone at (850) 413-6836, or email dqlee@psc.state.fl.us, if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel Lee".
