Subject: FP&L Rate Increase Request

Dear Ms Stauffer:

I am writing to register my strong objection to the base rate increase requested by Florida Power & Light.

FPL's request equals a 23 percent base rate increase for all residential ratepayers, and would allow an exorbitant return on equity of 11.5 to 12.5 percent.

As one of millions of Florida retirees living on a fixed income, I urge the commission to reject FP&L's rate increase request.

Sincerely,
Bonnie R Bodendorfer
