Subject: FPL Hike Increase

Sir/Madam,

I am a senior citizen surviving on a fixed income. With the cost of living being increased every year, it is very hard for a lot of us to survive. I must have electricity to use my heating pad, keep the air conditioner going, and to keep food from perishing.

FpL have a monopoly on us. They are the only electrical power company around. It is not fair to increase rate when it is not needed.

Please listen to the voice of the poor people of this state.

Thank You.

Martha Lewis
