**Subject:** FPL rate hike - docket number 160021-E1

Hi,  
I am writing regarding docket number 160021-E1 and to voice my opposition to FPL's request for a rate hike. For what purpose is this increase requested? They already have an R&D factor in service charges.

Oh, and what is it called when consumers only have ONE option for companies with whom they may do necessary business? Monopoly - yes, that's the word.

Please deny this rate increase request.  
Thank-you for reading,
