**Subject:** DOCKET NUMBER 160021-EI

To Whom This May Concern:

My husband and I oppose the rate increase of 24% which FPL is requesting. We have lived in Miami-Dade County for over 41 years and are presently retired. This increase will devastate our budget and change our way of living. Over half of this county's population is made up of middle to low middle class people, not counting those on some kind of government assistance. Please consider this when evaluating their request for once approved, it will never go back down again.

Sincerely,  
Dolores & Eladio Padron
