I want to have my input considered on the rate increase requested by FPL. I am Ross Graham of 3560 Lansing Loop unit 201, Estero Florida.

It would appear the FPL does not require this large increase to continue to provide reliable service and already provides a reasonable return to investors. The level of return to investors as a result of this proposed increase is totally unacceptable to me. Returns to be increased should result from enhanced efficiencies not what amounts to a tax which will be passed along to numerous retired individuals on fixed incomes!

Thank you for your consideration of my testimonial.

Ross
