Subject: FPL increase.

As a senior citizen I moved to Florida with my sick husband so we could just get by. And with all the medical attention we need and all the new Obama rules. We are not getting by we are struggling. The very last thing we need is an increase in our electric bill. Please think of your parents or grandparents or even yourself one day. Have a heart and save a heart for someone who can't afford to turn their AC on in this hot Fl weather.
