My name is Bruno GLAVICH and I live at 14325-C. Harbour Links Court, Fort Myers FL 33908. I purchased my home in FL, in part, because of the acceptable tax rate and utility expenses (as compared to other locations in the USA). In fact, I just started looking for a larger home.

But this proposed rate increase will likely drive me to states that have both lower utilities and taxes like Tennessee where my cousin lives. I ask that you not approve a rate that only benefits the insiders and shareholders, for any rate increases comes out of our retirement income which is getting squeezed!

Please do the right ethical thing and vote no, which I'm sure you will.

Best regards,

Bruno GLAVICH
