Subject: FPL Rate Increase

I am opposed to the rate increase as a Senior Citizen on a fixed income. This increase will make it almost impossible for me to make ends meet. I already turn my air conditioning off from 8:00 am - 6:00 pm daily to save on my bills. With this increase I'll have to stop using my air conditioner altogether in this 100 degree weather. I guess when I suffer a strike or heart attack at least I know who to blame. FPL is heartless to Seniors if they get this increase. It is totally outrageous to do this to our citizens of Florida.
