Subject: ratte increase doctet # 160021 E1

I live in Barefoot Bay a community of approx. 5,600 homes. Many of the people are on fixed incomes and many will have to choose between medicines, eating and keeping reasonably comfortable. Florida is a very hot state and there is a need for air conditioning. We are against this increase. Please do not put profit above the well being of your customers. Respectfully
Helmuth Rauschenbach
