Okay, great. Thank you! Per your request, we will copy DN 01382-16 to Docket 160021, leaving a copy behind in Docket 160061.

Hi Suzanne,

Can you please clarify if the document should be “copied” from 160061 to 160021? I believe DN 01382-16 is the document that opened Docket 160061 and if we completely move it without copying it, there’s nothing to show what opened Docket 160061 to begin with. Thank you for your help.

Dorothy

Hey: Please move DN 1382-16 from Docket 160061-EI to Docket No. 160021-EI. This testimony got overlooked when dockets were consolidated. Many thanks and call if you have any questions.
Suzanne
