Good morning, Troy:

It appears that the Office of Commission Clerk has not received the SARC filing mentioned below. The last filing that we received from you/North Charlotte was DN 05173-16 filed 7/18/16, in Docket 160058, which is the application for approval of transfer of Sun River Utilities in Charlotte and DeSoto Counties. Our fiscal department has also confirmed that they have not received the check for the SARC either. I checked with them in case the check and SARC application accidentally got separated.

I hope you find information helpful.

Subject: SARC Application for North Charlotte Waterworks

Good morning,

Last week I mailed a SARC application for North Charlotte Waterworks with the filing fee. It's been well over a week and I still don't see it docketed on the PSC website.

I was inquiring whether it has been received. If not – I may have to re-submit it and cancel the previous check.

Thanks.
