Subject: FPLrate increase

My name is Jay Rosen. I reside at:

17015 Ryton Lane  
Boca Raton, Florida 33496

I refer you to:

Docket number: 160021-E1

My understanding is that most of the rate increase would go to investor dividends, not to maintaining and improving service. As the utility already makes a substantial profit and exists as a monopoly, I find this to be completely unacceptable. Please consider my opinion, and review the FPL request for higher rates in a way that would benefit the residents of Florida.
