Subject: FPL Service Docket Number160021-E1

To whom it may concern, my name is Beverly and Tod Miller, 8472 Pinto Drive Lake Worth, Florida 33467. I am totally against any increased payment to FPL. I am a taxpayer in the state of Florida and a user of FPL services at the above address.

When does it all stop, when everyone including FPL sucks the middle class people dry. STOP this increase now...I do not want to be a part of this action. FPL seems to think that we the taxpayers need to go along with their raking of the middle class, please stop this from happening.

I've worked 30 years in public service and we the middle class never seem to get ahead. When we think we are, boom increases are forced upon us. Please listen to the people and not the lobbyist, please just do the right thing this time and agree with the people who are against any increase.

Thank you
