Subject: RE: docket number 160021-E1 -- FPL Rate Increase

To The Florida Public Service Commission,

Please note that when you consider the requested FPL rate increase, basically in order to generate higher profits for FPL, please keep in mind that those profits come at the customer's expense, and that includes the senior community, many of whom are having a very hard time surviving in this economy.

Sincerely,

Don Klein
FPL Customer
