Subject: Docket number 160021-E1-FPL Rate Hike

Hello FPL,

I do not mind paying for services that I use. My bill at 480 NW 45 Avenue in Plantation is already excessive and that is with budget billing. It continues to rise each month and the usage in the home is normally the same. I am the only working person in the home at this time and can't pay this bill with it continually asking for more money.

I have read that your company will be making billions of dollars next year. It is not fair for the average family to be taken advantage of by a monopoly that is making so much money. I also need to provide other services and conveniences for my family, not just your service. Please reconsider the rate hike and think of other families and not just the ones are in the FPL family.

Thanks

Sheila Johnson-Douglas
