Subject: FPL Rate Hike

I'm am a senior and living on a low monthly income.

I went on a monthly budget because I can't afford to heat/cool my home I keep the thermostat on 65 in the winter and on 85 in the summer. I don't know what I would have to do if the rates keep go up. There are plenty of us here in Florida that can't afford to pay higher rates. Do you want us to live in the dark? Linda Rubino,16 Essex Dr Ormond Beach FPL customer since 2010 Docket 1600-21-E1
