Subject: FPL Rate Increase

I am Frank DiMarco,an FPL customer living at 4360 SE 26th street,Okeechobee. FPL wants a 23% increase that us Seniors on a very small income cannot afford. As for myself my electric bill has already doubled with no explanation. If I call and complain I am told to pay the Bill or Be Shut Off. This Rate Increase versus my income WILL cause me to lose my home. This Rate Increase Mus Not get the Okay. Senors have not had the small 'cost of living' increase on our Social Security in yers. Taking my 'Poor Mans' zincome,giving it to Well To Do investors? As I said.. This Rate Increase should never get the "Okay" thank You for hearing me,yours Truly: Frank Di Marco.
