Ms. Caroletta Stauffer:
re: Docket # 16002-E1

I oppose the proposed 23%
increase to residential customers.

As a consumer with no other
option but to use FPL I am
strongly opposed to this.

I am a senior citizen on a fixed
income.

This Should Not Pass!!!

Ms. Carlotta Stauffer,

Re: Socket 160021-E1

We have no option to use another power company.
They are asking for money to get more profit.
We have / are seniors that are on a limited
income and can not afford to make
FPC- Shareholders / executives richer.
This should not pass!!
