RE: Proposed FPL Rate Hike, Docket Number 160021-E1

My name is Sherry A. Lindsey and I reside at 7400 Key Deer Ct., Fort Myers, FL 33966

I am a senior with a fixed income, so I have to watch every dollar I spend. I have no say in who provides my electric power. It is up to you to protect me and every other customer from a system that does not operate in our best interests, and a company that is providing unwarranted profit for its shareholders, many of whom are out of state, at our expense. This increase would not help provide better service for FPL's customers. It only perpetuates greed. Please do not be a part of the problem. Be a part of the solution.
