Re: Docket No. 160060-EC: Complaint and Petition of the City of Cape Coral, Florida For An Investigation Into The Rate Structure Of Lee County Electric Cooperative, Inc.

Dear Ms. Stauffer:

On behalf of the City of Cape Coral, and with the consent and agreement of Lee County Electric Cooperative, Inc., the City hereby requests that the Public Service Commission continue to hold any action in the above-referenced docket in abeyance through and including September 30, 2016. The parties are engaged in discussions in an attempt to resolve existing areas of disagreement and, should such agreement be reached prior to September 30, the parties believe that no further Commission action in this proceeding would be necessary. This letter and request herein has been reviewed and approved by both counsel for LCEC and the undersigned.

Respectfully submitted,
