

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Environmental Cost Recovery Clause

Docket No: 160007-EI

Date: September 1, 2016

FLORIDA POWER & LIGHT COMPANY'S MOTION FOR EXTENSION OF TIME

Florida Power & Light Company ("FPL") hereby moves for an extension of time to file its Projection Petition and Testimony for 2017 in this Docket.

It was announced earlier this morning that the Public Service Commission will be closing at noon today. In light of the early closing, the storm that is heading towards Florida, and the fact that FPL's counsel have had substantial responsibilities in a rate case hearing over the past two weeks, FPL seeks a short extension of time regarding its Projection Petition and Testimony for 2017 in this Docket. FPL will make these filings on the next day that the Commission is open for business.

FPL has contacted counsel for the parties in this case. No party has raised an objection the relief requested in this motion at this time. FPL will file an update to its certification of conferral, if necessary.

Respectfully submitted this 1st day of September 2016.

Respectfully submitted,

John T. Butler
