Subject: Vero Utilites

I have resided in Indian River Shores for 33 years and have put up with the HIGH RATES I pay for power from Vero Utilities while my friends up the street pay 30 percent less.

The offer by our council and FPL of \$30 million for the rights to get out of the grip of Vero was approved by all of the members of the Vero Beach Utilities Commission at their meeting prior to the Vero Council meeting and for the Council to ignore them is unacceptable.

It is now up to you to make the right decision and stop the illegal requirement we have to stay with Vero Electric when our contract runs out this November.

Our only escape is for you to vote in our favor. Please DO WHAT IS RIGHT .
