**Subject:** Indian River Shores PSC case

To the Commissioners:

I am a long time resident of Indian River Shores. As such, I have had to pay unreasonable and excessive electrical rates to the City of Vero Beach, which operates an unregulated utility with monopoly powers which extend beyond its boundaries. Our electric service is unreliable and overpriced by approximately 30%. Our family and our neighbors respectfully request that the PSC grant our request for a change in territorial boundaries, in order to restore equity in our community with respect to this issue.

Thank you for your consideration,

Paul A. Becker
