Hi Charlie,

Thanks for working to address OPC's concerns. Based on the oral modification to staff's recommendation, we withdraw our assertions made in response to Brevard Waterworks' November 19, 2015 filing. We are satisfied with the result and we don't need to have this procedural discussion as this time. We are glad that the customers will receive a rate reduction. OPC will not need to speak at tomorrow's agenda conference but we are available for any questions, if any, on this item.

Best regards,  
Erik
