Re: Ni Florida, LLC; Application for a Rate Increase in Pasco & Lee Counties, Florida
Docket No. 160030-WS
Correction to OPC Concerns Response

Dear Ms. Stauffer,

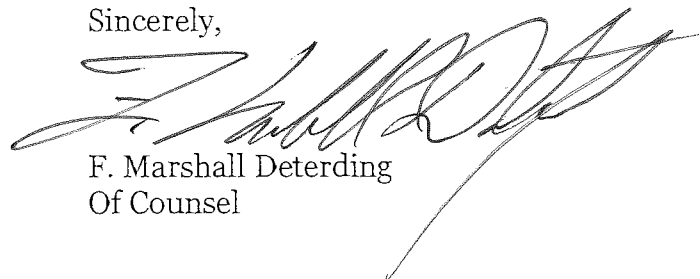

In preparing the response to Question #3 of Staffs 4th Data Request, we discovered some miscoded items and responded appropriately to that Staff question. However, that discovery has led to our belief that the response to OPCs concern #7 (b) dated September 13, 2016 needs correction by adding the following additional language:

In researching the response to Question 3 of Staffs 4th Data Request, we have determined that the \$4,004.00 charge from RVS should have been charged to Texas Utilities, not Hudson. So the \$4,004.00 in Account 734.7, Contract Services-Customer Service-Other, should be removed.

This is very similar to the information provided in response to the Staffs question #3.

If you or any members of staff have any questions this regard please do not hesitate to contact me

Sincerely,

F. Marshall Deterding
