Hi Dianne,

Although the Commission's Order PSC-15-0380-CFO-EI granting confidentiality of Duke's information in DN 08613-11 doesn't expire until March 11, 2017, the 5-year records retention requirement will soon expire on December 31, 2016. Therefore, at your convenience, would you call or email me so that I can find out whether or not Duke would be willing to release for public disclosure the specific dollar amounts for years 2008-2010 in the work papers and audit report which are currently protected from public disclosure?

Thanks,
Vic
