Docket No. 160140-EQ – Petition for approval of modifications to standard interconnection agreement contained in the approved tariff by Duke Energy Florida, LLC.

**Issue 1:** Should the Commission approve Duke’s proposed modifications to the Interconnection Agreement contained in its approved tariffs?

**Recommendation:** Yes. Staff recommends the Commission approve Duke’s modifications to its Interconnection Agreement as shown in Attachment A of staff’s memorandum dated September 29, 2016. The new requirements clarify that the Agreement is intended for interconnections with Duke only and improves security to ratepayers by requiring insurance similar to other contracts. The proposed tariff modifications should not place an undue burden on QFs that seek to interconnect with Duke’s system and deliver power to the Company.
