**E-PORTAL FILING**

Ms. Carlotta Stauffer, Clerk  
Florida Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, FL 32399-0850

**Re: 160199-GU: Joint Petition for Approval of GRIP Cost Recovery Factors by Florida Public Utilities Company, Florida Public Utilities Company-Fort Meade, and Florida Division of Chesapeake Utilities Corporation.**

Dear Ms. Stauffer:

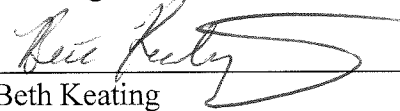

It has come to the Company's attention that one of the tariff pages submitted in support of Florida Public Utilities Company's GRIP cost recovery factors did not reflect the current version of the tariff, but rather the 2015 version of the tariff page. As such, attached for filing, please find the following corrected tariff page for Florida Public Utilities (clean and tracked changes versions):

FPSC Gas Tariff/Third Revised Volume 1 – Twelfth Revised Sheet No. 35.4

The Company notes that only the version of the tariff sheet has changed. The proposed rates reflected remain consistent with those included in the Company's initial filing on September 1, 2016.

Thank you for your assistance with this filing. Our apologies for any inconvenience this inadvertent error may have caused. As always, please don't hesitate to let me know if you have any questions whatsoever.

Kind regards,
