Melinda

I am working on the response and trying to get the requested addendum to agree that the transfer will be reversed if there is not PSC approval. That part may take me a few days past your deadline but I hope to have everything else to you in a letter by your deadline. I will update you early next week but I do think we need a few more days to get that final document done. Thanks

Subject: Oak Springs transfer, Docket No. 160075-WU

Marty,

Oak Springs' response to staff's July 20, 2016 deficiency letter was due on August 23, 2016. When we spoke about this in September, you said you would have Oak Springs provide the information necessary to respond. To date, the response has not been filed with the Commission. Please provide Oak Springs' response no later than November 9, or request an extension with justification.

If you have any questions, just give me a call or send an email.
