**STAFF'S FIFTH DATA REQUEST  
VIA EMAIL & US MAIL**

**Re: Docket No. 140175-WU - Application for Staff-Assisted Rate Case in Pasco County by Crestridge Utilities, LLC.**

Dear Mr. Smallridge:

Please provide responses to Staff's Fifth Data Request regarding the above referenced docket to the Commission Clerk on or before December 9, 2016.

1. In response to Staff's Fourth Data Request, the Utility sent an electrical bid received on October 29, 2016, after the completion date of the upgrades. Please explain why the Utility received a bid after completion of the project.
2. On page 57 of the set of receipts and invoices sent to the Commission, the Utility provided limited information regarding the final payment for the motor and pump upgrades to well #2 and well #4. Please provide additional verification of payment.
3. In the set of receipts and invoices sent to the Commission, the Utility listed "Well #3 re-plumb," as a limited proceeding item. Please provide a description of the project and justification for the need for these expenditures.
4. According to the Department of Environmental Protection's Sanitary Survey Report, well #3 was struck by lightning and has been out of service since 2013. If well #3 is currently out of service, please explain why the Utility is making upgrades to the well.
  - a. Please describe how well #3 was previously used and how the Utility intends to use it once in-service again.
5. Please explain why the total final cost was more expensive than the total cost on the proposals for the motors and the pumps for well #2 and well #4.
6. Please provide the actual dates that upgrades were completed to well #2, well #3, and well #4.
