Thank you, Devlin. The utility name and party information reflect the name as shown in MCD.

Give me a call if you have any questions. Have a good afternoon.

Yes, please match to MCD as that's the Commission's official company designation.

Thanks again Dorothy.

Hi Devlin,

Thank you for the clarification. The initial petition for approval (DN 05396-16) included the "s" so both names were included in the utilities list because what they filed didn't match what we had in MCD. With this e-mail, we will make the change to the docket title, the utilities list, and the parties list. Please advise if there should be a period at the end of "Inc" though. MCD includes that, but the petition did not. See snippet below.

FLORIDA PUBLIC UTILITIES COMPANY'S
PETITION FOR APPROVAL OF 2015
DEPRECIATION STUDY

As required by Rule 25-7.045(8)(a), Florida Administrative Code, attached is the depreciation study projected through December 31, 2016. In support of this Petition, the Company states as follows:

1. Name and mailing address of the Company:

Sebring Gas Systems, Inc
3515 US Highway 27 South
Sebring, FL 33870-5449

Thank you for your help.

Good afternoon Dorothy,

Real simple change on this docket title (DN 160174-GU). The company's name should be "Sebring Gas System", not Sebring Gas Systems. I noticed some documents have the "s" and some do not. However, the company's name is listed in MCD as ending without an "s," i.e. "System". Please let me know if there are any issues. Thank you very much.
