Re: Account TY106

Gentlemen,

I am writing to advise you of two circumstances regarding our permission to do business in Florida.

First, apparently our sales tax authorization expired. I applied for reinstatement some ten days ago and expect reinstatement any day now. We only operate payphones in Florida and they are not subject to taxes of any kind by statute.

Second is that we filed for Chapter 11 two months ago. It is solely a result of a phone line provider overcharging us and refusing to even discuss the issues, or present them to the FCC as our agreement with them requires. We had to file to prevent discontinuance of service. The Judge found in our favor at the initial hearing and the matter continues. We are not insolvent and pay all of our obligations on a timely basis, and have no problem with any other creditor. If it is of consequence, I can put you in contact with our attorney who can explain the facts of the case to you.

If here is anything further that you need, please do not hesitate to contact me.

Yours truly,

John Cory
