b. Date of Planned Discontinuance (47 C.F.R. § 63.71(a)(2), (b)(2)):

Based on specific state level notification requirements Windstream plans to discontinue service in three stages based on the states customers are located in. Services for customers located in Alabama, Arizona, Florida, Georgia, Idaho, Kentucky, Louisiana, Minnesota, Missouri, Mississippi, North Dakota, Ohio, Oregon, Tennessee, and Washington will be discontinued on or about December 19, 2016.

Services for customers located in Colorado, Indiana, South Dakota, Texas, Utah, and Wisconsin will be discontinued on or about January 19, 2017.

Services for customers located in Iowa, Illinois, Michigan, and New Mexico will be discontinued on or about February 20, 2017.

c. Point of Geographic Areas of Service Affected (47 C.F.R. § 63.71(a)(3), (b)(2)):

Services will be discontinued in certain locations in the states of Alabama, Arizona, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, New Mexico, North Dakota, Ohio, Oregon, South Dakota, Tennessee, Texas, Utah, Washington and Wisconsin.

d. Brief Description of the Type of Service to be Affected (47 C.F.R. § 63.71(a)(4), (b)(2)):

The Services are local exchange and DSL services provided to residential and small business customers.

2. Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. § 63.71 (b)(3)):

On November 18, 2016, Windstream sent by First Class U.S. Mail notice to all affected customers of the planned discontinuance. A copy of such notice is attached hereto as Attachment 1 (30-day), Attachment 2 (60-day), and Attachment 3 (90-day), which is compliant with, among other things, Section 63.71(a)(5) of the Commission's rules, 47 C.F.R. § 63.71(a)(5).

3. Regulatory Classification of Carrier (47 C.F.R. § 63.71 (a)(4)):

Windstream is nondominant with respect to the services that it proposes to discontinue.

4. Service:

In accordance with Section 63.71(a)(1) of the Commission's rules, 47 C.F.R. § 63.71(a)(1), Windstream is submitting a copy of this Application by First Class U.S. Mail to the public

utilities commissions and governors of each state in which discontinuance is proposed and also to the Secretary of Defense (at the address given in 47 C.F.R. § 63.71(a)).

5. Additional Questions Regarding This Application May be Addressed to the Undersigned.

6. Circumstances of Discontinuance.

Windstream provides the Services to approximately 300 customers in certain locations in Alabama, Arizona, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, New Mexico, North Dakota, Ohio, Oregon, South Dakota, Tennessee, Texas, Utah, Washington and Wisconsin. The Services are being provided on equipment that is at the end of life, it is no longer supported by vendors and replacement would be cost prohibitive.

Affected customers will not be unduly harmed because they are being provided ample notice of the discontinuance and customers have comparable options at comparable rates from other providers serving these states.

7. Conclusion

Windstream believes that the proposed discontinuance is reasonable and necessary. As outlined herein, Windstream will take reasonable steps, to the extent that is able, to assurance that the discontinuance of this service is not unduly disruptive to the present or future public convenience and necessity. Accordingly, Windstream respectfully requests that the Commission permit it to discontinue the provision of Services to customers in certain locations in Alabama, Arizona, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, New Mexico, North Dakota, Ohio, Oregon, South Dakota, Tennessee, Texas, Utah, Washington and Wisconsin pursuant to Section 63.71.

URGENT: Your services on account ending in <<LAST 4 ACCT NUM>> will be impacted unless you take action!

Dear <<BILLING NAME>>,

In an effort to better serve our business customers, Windstream is working to consolidate our systems and offerings. You are currently on an end-of-life platform that is scheduled to be decommissioned on Monday, December 19.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Windstream Services, LLC.
