To Whom It May Concern:

I have received a notice that states that Utilities Inc. is asking the state to increase the monthly base water charge from \$8.46 to \$22.06 and the usage charge for households from \$8.31 to \$22.03 per 1,000 gals.

As a resident of 334 Tulane Drive, Altamonte Springs, FL 32714, I totally disagree with this outrageous rise on the above mentioned charges, it is absolutely abusive and I will be persistent on my petition to the Florida Public Service Commission to deny the abusive rise of charges that Utilities Inc. is trying to asses to our community.

Sincerely,

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke extending to the right.
